

# Opening Programme 2022

## 21/9 – "Opening of the new Campus Arboretum" –

We have been working for several years with a new branch of Arboretum Norr besides our arboretum in Baggböle and now it is officially time to hold an opening of the new Campus Arboretum. The ceremony will take place on 21 September along with lectures, guided tours and grilled food prepared by "Friends of Arboretum Norr" our support organization. The arboretum is situated south of the Swedish University of Agricultural Sciences building in the campus area in Umeå.

**We will also hold a plant lottery with different species left over from Arboretum Norr plant production**
